Maffam's Lamentation for Harby.

18. Octob. 1710

Translated from the Greek of HOMER.

NOW PHOEBUS did with Frowns, the World Survey,
Dark were the Clouds, and Dismal was the Day;
When Pensive *Harby* from the Court return'd,
Slowly his Chariot mov'd, as That had Mourn'd:
Heavy the Mules, before the *States-Man* go,
As dragging an unusual weight of Woe;
Sad was his Aspect, and he waking Dreams
Of Plots Abortive, and of ruin'd Schemes.

As some sad Youth, whose Griefs alone Survive,
Mourns a Dead Mistress, or a Wife Alive.
Such looks, would *Russel's* Funeral Triumphs grace,
So *Nottingham* still looks with, such a Face.
To KENSINGTON'S High Towers, Bright *Maffam* flies
Thence She afar the sad Proceffion spies,
Where the late *States-Man* doth in sorrow ride
His *Welch* Supporter mourning by his Side.
At which her boundless Grief, loud cries began,
And thus lamenting through the Court she ran.

Hither ye wretched *Tories*, hither come,
Behold your God-like *Hero's* Fatal Doom;
If e'er you went, with ravishing delight,
To hear his Banter, and admire his Bite,
Now to his Sorrow yield your last Relief,
Who once was all your Hopes, is now become your Grief:
Had this Great Man his envy'd Post enjoy'd,
Tories had rul'd, and *Whiggs* had been destroy'd.
Harcourt the Mace, to which He long aspir'd
Had now possess'd, and *Couper* had retir'd,
And *Sunderland* been forc'd his Place to quit,
Which St. *J——n* had supply'd with ready Wit.
Sage *H——r* passing Court Preferments by,
Had rul'd the Coffers, *Tories* to supply.
G——r had Shin'd with Rich *Newcastle's* Seal
And *Harby's* self to shew his humble Zeal,
Had been contented, with the Trifling Wand,
Which now does Mischeif in *Godolphin's* Hand.
Our Fleet secure, had been *R——k's* tender Care,
And *Ormonde* had been sent, to Rule the War,
BLENHEIM to RADNOR had been forc'd to Yield,
And CARDIFF Cliff's Obscur'd RAMILLY'S Field.

FINIS.
